Rotary's Four Way Test of the things we think, say or do:

1.) Is it the TRUTH? 2.) Is it FAIR to all concerned? 3.) Will it build GOODWILL and BETTER FRIENDSHIPS? 4.) Will it be BENEFICIAL to all concerned?

Our guest speaker this evening is Chris Koval. Chris Koval is the driving force behind Future Sounds Disc Jockey Service. His entertainment background began in television in 1985. Surrounded by parents who were musically inclined, he also worked in sound and lighting production for several bands and in clubs during the late 80's and 90's. He polished his technical skills through work in radio production and commercial editing. Koval worked as an on-air personality for several stations throughout Texas for 10 years.

His experience with the wedding industry began in early 1993 and this led to the formation of Future Sounds in 1998. Although he has focused primarily on wedding receptions averaging 50 per year, he also worked with schools and companies averaging an additional 40 events per year. Koval is well-known, a respected professional and business in the wedding industry as well as in the mobile entertainment industry. He specializes in more than playing music; his specialty is providing his clients with a complete entertainment experience. This experience shared spans over 30 years and over 4000 events. In 2015, Koval expanded his AV services for his clients and their needs. This led to his sister company Sound LAVS (Lighting, Audio and Video Services) and being launched in 2019.

Academically, Chris worked for 15 years in higher education. Chris has a B.A. in Technical Communication and a Master's in Education with a focus in Instructional Technology. You can find Koval on LinkedIn to view his academic and professional achievements. He is also an active member of the International Live Events Association (ILEA) San Antonio Chapter serving as the 2021-2022 President, an active member of the National Association of Catering and Events (NACE), member of the Society of Texas Entertainment Professionals and active member of the Alamo Area Hospitality Association (AAHA) where he served as the 2019 President. Koval has been doing businesses as Future Sounds since 1998, that is over 20 years of continued business and service to the industry and clients!

Birthdays & Anniversaries

Kathy Hamilton will be celebrating her birthday on July 26th. Happy Birthday, Kathy.

Debbie Degollado will be celebrating her 6th Rotary Anniversary since rejoining our Rotary club back on July 28, 2015. Debbie had originally joined our club back in June 2001.

Do you wear your Rotary pin each day? When you wear your pin people you know and work with will see that you are proud to be a Rotarian. They may even ask you about Rotary. You might tell them that Rotary is a group of people who pool their resources and use their talents to serve their communities. That Rotarians' dedication to serve is best expressed in our motto: Service Above Self.

Someone might even ask you how to join Rotary, and you could invite them to attend a meeting or join in working on a service project.

Not only does wearing your Rotary pin raise awareness of Rotary among friends and colleagues, it is a reminder that you are part of a group of people who live their lives by the ethical guide of The Four-Way Test:

Of the things we think, say or do
Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

The Rotary wheel is a symbol of hope, peace, volunteers, and goodwill. While we know the power of Rotary, there are people who have no clue what Rotary is and what we do. Wearing your pin can be a great introduction for someone to learn about Rotary. Wearing your pin can be a great way for people to ask more about our club. Wearing your pin can lead new members to our club. Can you tell there is a theme? Wear your pin. Wear your pin proudly and represent a great international service organization and our fabulous club.

When people make the connection between your Rotary pin and your ethical behavior they will gain a deep insight into what Rotary is about.

We were pleased to welcome Stephanie Cheuvront, Educator and Interpreter with the Texas Historical Commission as our guest speaker on Tuesday, July 6th. Stephanie is based at the Landmark Inn State Historical Site. In addition to speaking about the history of the Landmark Inn site, she also spoke about the history of the greater San Antonio area as well by examining the history of hot sauces and the various cultures that interacted in order to produce the commodity that we are all familiar with today. Thank you Stephanie for a great presentation.
