**Rotary's Four Way Test of the things we think, say or do:**

1.) Is it the TRUTH? 2.) Is it FAIR to all concerned? 3.) Will it build GOODWILL and BETTER FRIENDSHIPS? 4.) Will it be BENEFICIAL to all concerned?

Our program tonight is a presentation about the historic Salado Cemetery on Perrin-Beitel Road. Several members of the San Antonio Northeast Rotary Club have discussed in the past about cleaning up the cemetery as a service project.

The following is part of an article by Joey Palacios of Texas Public Radio published on May 9, 2018.

**Who Owns San Antonio Cemetery Where Well-Known Local Names Are Buried?**

There's a cemetery along Perrin-Beitel Road on San Antonio's Northeast side. Buried there are people with the names Eisenhauer, Rittmann, Wurzbach — names that dominate any map of the city. A team from the City Council's staff wants to help maintain the cemetery.

But there's a problem: They can't figure out who owns it.

The name Salado Cemetery adorns the gate of this peaceful place on Perrin-Beitel Road.

It's halfway between Loop 410 and Wurzbach Parkway, near a Dairy Queen and in front of an InTown Suites hotel. It looks like most other cemeteries but there's something different. The headstones from the 1800s carry names that would be very familiar to today's San Antonio residents, especially if they're drivers.

On Saturday, October 5th, members of the Madison Interact Club volunteered at the New Braunfels Food Bank Garden. They spent their time weeding, harvesting mustard greens, and planting spinach. Great job making a difference in our community.

At the start of tonight our Happy Bucks pot is at \$952. That means if your ticket is drawn tonight and you pull the Joker out of the deck, you will leave with at least \$476.

We were pleased to welcome Past District Governor Monica Gutierrez as our speaker last week. In addition to being District 5840's Immediate PDG, Monica is also The Rotary Foundation Chair for our District. Monica spoke to us about The Rotary Foundation. The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. The Mission of The Rotary Foundation is to help Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world. After PDG Monica's presentation, club president Russell Sturgeon presented her a token of our appreciation.

## Message from Maddie in Spain

I am doing well! I believe I have some photos of my class that I will send you in a little bit. I have attended a Rotary meeting! I did not get pictures or exchange banners because it was a pretty structured awards ceremony of sorts with the District Governor there, so I didn't want to be disruptive to those activities. I am planning to attend again soon. My class schedule is really odd and changes each week because the program is a cohort, but I'm attending when I can! Miguel talked about having me come back to talk to the club about what I'm doing, so I will be sure to get Rotary photos and exchange banners at that meeting.

As most of you know, the San Antonio Northeast Rotary Club is proudly sponsoring Global Grant Scholar Madeline "Maddie" Aguilar. Maddie is attending Instituto de Empresa in Madrid, Spain. Her host club while in Spain is the Rotary Club Madrid Serrano. The Madrid Serrano Rotary Club was founded in the same month and year our Rotary club—May 1987.

District Governor Kristen Salazar is thrilled to announce an exciting opportunity to recognize outstanding members within our Rotary family! Nominations are now open for the prestigious Paul Harris Fellowship Award, a symbol of our commitment to Rotary's mission of "service above self". The Paul Harris Fellowship Award honors individuals who have made significant contributions to our community and demonstrated exemplary service in advancing the ideals of Rotary.

This is a chance to nominate a member of your club whose dedication, leadership, and passion have made a meaningful impact in at least one of Rotary's seven areas of focus. Please note that the deadline to submit your application to me is February 1st, 2025.

We will have a mass pinning ceremony at the Celebration of Districts conference on May 4, 2025, so please make sure you register here at <https://Rotary5840.org/events/celebration-of-districts/> for the event so you can support your fellow club members!

Let's take this opportunity to recognize those Rotarians who are going above and beyond for our communities, and helping us to share The Magic of Rotary!
