Rotary's Four Way Test of the things we think, say or do:

1.) Is it the TRUTH? 2.) Is it FAIR to all concerned? 3.) Will it build GOODWILL and BETTER FRIENDSHIPS? 4.) Will it be BENEFICIAL to all concerned?

Our speaker this evening is Ashley O'Leary. Ashley works for Corazon San Antonio. She is the Director of a program called Deborah's House, an organization that provides a safe supportive transitional living environment for women in recovery. Ashley has come from a rough background with drug addiction in her past, but she has also found a new way to live in the previous seven years where God has helped to make her a new person.

Corazón San Antonio

Today, Ashley lives her life in a manner that she will do whatever she can to help other women come out of similar life situations that she also struggled with. Ashley provides recovery coaching services, life coaching, physical fitness advice, and whatever her clients might need to support their recovery. She volunteers with other organizations in the community such as For Her, a women's empowerment organization that fosters dignity by providing support groups, counseling, and other services. Ashley also has helped to open a women and children's home called Redeemer House that provides similar services to Deborah's House but for women with their children through an organization called ONEsource. Deborah loves the community here in San Antonio and the recovery community and she works her best to serve wherever she may be called.

Where does your \$6 go?

Many club members pay \$6 each week for our meeting. But not everyone knows where the \$6 goes.

\$1 for our raffle

\$2 to pay for our guest speaker's meal. While all three of the items listed here are voluntary, we greatly encourage all to donate towards our speaker's meal.

\$3 to your Paul Harris

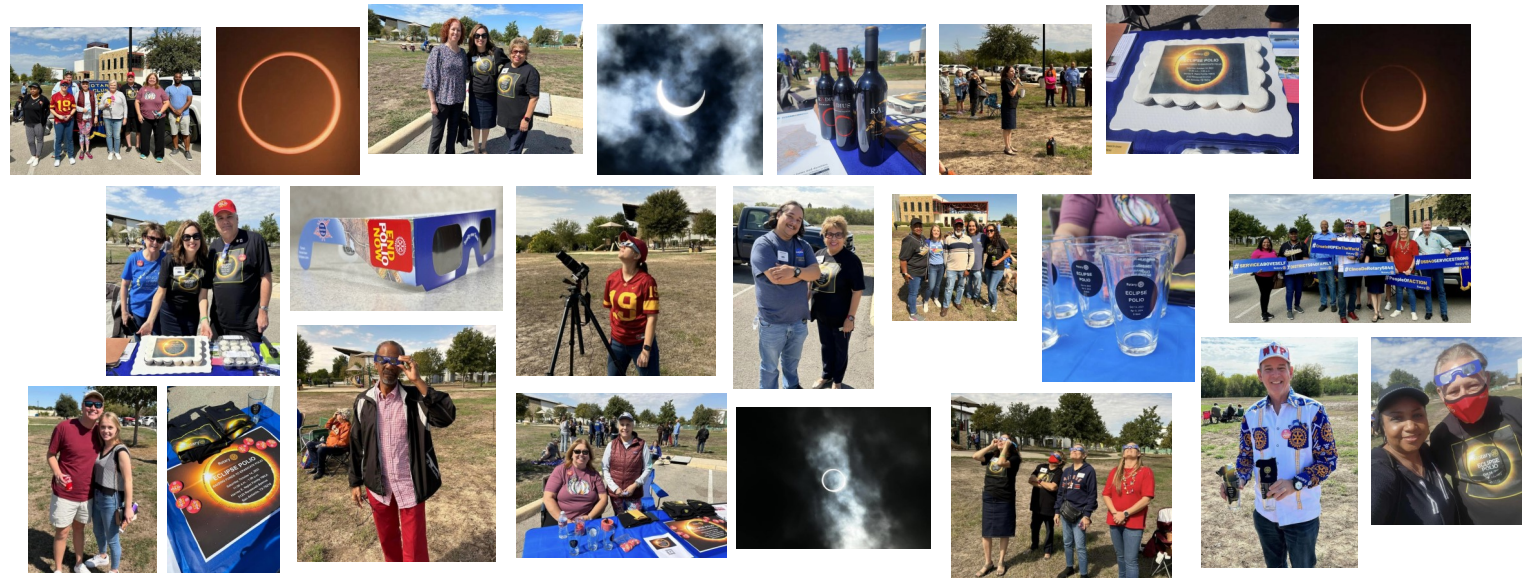

We were very pleased to welcome Dr. Veronica Garcia, President of Northeast Lakeview College (NLC), as our speaker on October 3rd. Dr. Garcia gave us a State of the College update. Lot of great things going on at NLC. Special thanks go out to Rudy Farias, Director of Strategic Initiatives at NLC for putting together the PowerPoint that Dr. Garcia used for her presentation to the San Antonio Northeast Rotary Club. Thank you both very much for all the information.

Thanks to all the folks that came out to our Eclipse Polio this past Saturday, October 14th at the Harvey E. Najim Family YMCA. This event was held in conjunction with an annular eclipse that San Antonio had a great view of (with protective sunglasses of course). In addition to being a fundraiser to "Eclipse Polio" from the face of the earth, this was also District Governor Monica Gutierrez's official visit to the Rotary clubs of San Antonio, San Antonio Airport, San Antonio Northeast, San Antonio North Central, San Antonio Pearl, Randolph Metrocom, Alamo Heights, and the eClub of San Antonio. There were approximately 75 folks that came out for this very special event.

Specially eclipse themed drinking glasses, and shirts were available for purchase. There was also a drawing for several bottles of Eclipse red wine from Radius Winery, and a special map showing the annular eclipse and a total eclipse that will take place in April 2024. Special thanks go out to Monkey's Tortas food truck for coming out and serving some fantastic food. Special thanks go out to Assistant Governor Jan King, and Dan Hernandez for purchasing the special eclipse proof sunglasses. Thanks also go out to Debbie Degollado for furnishing a special Eclipse Polio cupcake cake.

Last but not least, thanks go out to District Governor Monica for all her leadership for District 5840 this 2023-2024 Rotary year. We were so happy that all eight Rotary clubs had this opportunity to gather together for fundraising, fellowship, and fun.

One October event done, five more to go!
