Rotary's Four Way Test of the things we think, say or do:

1.) Is it the TRUTH? 2.) Is it FAIR to all concerned? 3.) Will it build GOODWILL and BETTER FRIENDSHIPS? 4.) Will it be BENEFICIAL to all concerned?

Our speaker this evening is Will Schulz, former Rotary Youth Exchange student. He will be speaking to us about Climate Change and Mitigation Policies. Will was sponsored by the San Antonio Northeast Rotary Club for eleven months as an exchange student from Germany when he was 16 from 2011 to 2012. After returning to Germany he studied political science and international affairs and started working on European Union policy with an NGO in Brussels.

He grew up in the Ahr Valley in Germany, a mostly rural area situated in the Eifel mountain range. After the area was hit by severe flooding in July of 2021, he returned to work in the reconstruction effort. Currently he is in charge of climate change and adaptation strategy at the Ahrweiler county administration. Will lives in Bonn, Germany.

Birthdays & Anniversaries

Dan Clark's birthday on October 23rd.

Austin and Eryn Riley will be celebrating their wedding anniversary on October 31st.

12th Annual Halloween Bowling Fundraiser

BOWLING

Are you ready for our annual Bowling and Silent Auction fundraiser? The fun will be taking place at Astro SuperBowl, 3203 Harry Wurzbach at Austin Highway. The event will run from 12:00 noon until 3:00 p.m.*

* - If you are bowling, please try to arrive no later than 11:45 a.m. to pick up your shoes and get your lane assignments.

We still have room for more bowlers. We are asking everyone to come out in their finest Halloween costumes.

Remember that the funds raised from this event will be used to award a scholarship to a graduating senior at James Madison High School, supporting the James Madison Interact Club Food Pantry, sponsoring two students to attend RYLA (Rotary Youth Leadership Awards), and supporting other humanitarian causes that will help serve our community.

SILENT AUCTION

We will also have a Silent Auction as well.

There will be 20+ items for bowlers and non-bowlers to bid on.

Club members are encouraged to help out with registration and the silent auction if you will not be bowling.

Please contact Dan Clark at danclark@ibc.com or (210) 799-4474 if you have any questions.

At the start of tonight our Happy Bucks pot is up to **\$741.50**. That means if your ticket is drawn and you draw the Joker, you are going to be going home at least **\$370.75** richer.

District Governor
Dwayne Hopkins
October Message

I am honored to be part of an amazing group of motivated Rotarians in District 5840. To be honest, Rotarians in our District inspire and motivate me every day with their generosity and devotion to service. The month of October is going to be great for our District. The Rotary International theme for October is Economic and Community Development.

Left to Right: DG Dwayne Hopkins, DGE Monica Gutierrez, and DGN Steve Darling

Rotary Clubs have many fun filled events this month towards Polio eradication around the world. The San Antonio West Rotary Club is having a purple pinky fundraiser event on October 24th. You get to color your pinky finger purple once you give a donation towards Polio. Several clubs have Pints for Polo events this month. For example, The Kerrville "Pints for Polio" event is on October 22nd. The San Antonio Pints for Polio event is on October 27th. The Randolph Metrocom Rotary Club has a Pints for Polio event on October 27 in Selma Texas.

The District Governor Line is also having a "Pie in the Face" Polio fundraiser. You can see this event on the District 5840 page or go to <https://raise.rotary.org/Dwayne-Hopkins/challenge1>.

This is your opportunity to see DGN Steve Darling, DGE Monica Gutierrez and I get a pie in the face for Polio eradication. There are many other events scheduled in the district so please take the time to look at the district calendar at <https://rotary5840.org/events/calendar>. The calendar covers most fundraiser event, special events, DG visits and key meeting dates in the District.

One key date quietly approaching is the District Conference scheduled on November 9-11 in Kerrville, Texas. This conference will be filled with some great events and inspiring speakers. Please get registered for the conference as soon as possible. This promises to be a conference you do not want to miss. You can register on our District website at: <https://rotary5840.org/event/district-conference-4/>

The San Antonio Northeast Rotary Club welcomed Robert Martinez as our guest speaker on Tuesday, October 4, 2022. Robert, a member of the Poteet Rotary Club, is also an Assistant Governor with our Rotary District. He spoke to us about the PolioPlus part of The Rotary Foundation. After his presentation, San Antonio Northeast Rotary Club president Debbie Degollado presented Robert with a Speaker's Certificate of Appreciation. A donation is made in all of our speakers name to the James Madison High School Interact Club's Food Pantry.

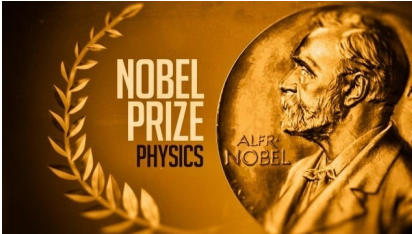

Austrian Rotary member Anton Zeilinger wins Nobel Prize in physics

Anton Zeilinger, a member of the Rotary Club of Wien-West in Austria, was among three physicists who were announced as the winners of the Nobel Prize in physics on October 4th for their experiments in quantum mechanics. Their research laid the groundwork for rapidly developing new applications in computing and cryptography.

Zeilinger, a professor at the University of Vienna, shared the award with French physicist Alain Aspect and U.S. physicist John F. Clauser. Their experiments explored quantum entanglement, a phenomenon that occurs when two particles behave as a single unit, even when separated. The three scientists will share the prize of nearly US\$900,000.

"I'm still kind of shocked, but it's a very positive shock," Zeilinger told reporters in Stockholm, Sweden, shortly after learning that he won. "I was actually very surprised to get the call." He also acknowledged the contributions of more than 100 students who had worked for him over the years. He advised young people, "Do what you find interesting, and don't care too much about possible applications."

The Nobel Prizes are announced every October and November by committees in Sweden and Norway for groundbreaking contributions in chemistry, economic sciences, literature, peace work, physics, and physiology or medicine. In December, Zeilinger and the other laureates will accept their award in Stockholm. Zeilinger has been a Rotary member since 2001.

World Polio Day is annually observed on October 24. This day commemorates global efforts toward a polio-free future, as well as the selfless sacrifices of those working on the frontline of the battle to eradicate polio from every corner of the world. Polio is contagious due to the ease with which the poliovirus spreads. Although the virus is now exceedingly rare because of modern interventions, it can impair the brain regions that govern respiration, resulting in death. Polio, which has no recognized therapy, can only be avoided through vaccination.
